Manager - King county International Airport  
P.O. Box 80245  
Seattle, Washington 98108

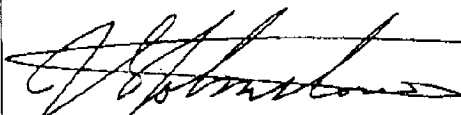

Subject: EMF Site

Dear Mr. Hoggard:

Your letter of October 24, 1995 outlined the elements of agreement for the transfer of the EMF site from Boeing's master lease to King County. In that letter, you identified environmental requirements, including development of a Remediation Plan for the property.

In response to your letter, Boeing has developed a Remediation Plan for the EMF site, which describes the basic scope of the investigation, the schedule, the deliverables, as well as coordination with the Washington State Department of Ecology and King County. This plan is included for your review.

If you need further information regarding this plan, feel free to call me at 544-1230.

Y. T. Johnstone, PE, PHD  
Environmental Affairs Manager
